Speedsville Engineered Die Cut Sign

Price per Unit (piece): Call for Pricing

Speedsville Engineered Sign - 30" x 11". The quality is outstanding, using heavy gauge metal, rounded corners, reinforced rivet hole for hanging, and an exclusive process to reveal rust and patina like a vintage sign should look! These are NOT flimsy, overseas made, cheap signs, but made right here in the USA by our exclusive supplier. These come shrink wrapped for protection and boxed carefully.

Speedsville is a high performance shop specializing in Pontiac performance and engineering.
