Price per Unit (piece): [Call for Pricing](#)

SOLO Speed Shop Hauler Sign - 12" x 12" square. The quality is outstanding, using heavy gauge metal, rounded corners, reinforced rivet hole for hanging, and an exclusive process to reveal rust and patina like a vintage sign should look! These are NOT flimsy, overseas made, cheap signs, but made right here in the USA by our exclusive supplier. These come shrink wrapped for protection and boxed carefully.

This little Speed Shop, located "Way Up In The Valley" - is a one stop shop for all your Traditional Hot Rod needs. Every shop has it's hauler, and this is the truck that gets the goodies, speed parts and PBR. This design features a very cool traditional Model A Ford truck; chopped & channeled, black swede, magnesium Americans, wide whites, and a set of custom scallops to really set it off.
