SOLO Speed Shop '32 Sign

Price per Unit (piece): [Call for Pricing](#)

SOLO Speed Shop 1932 Ford Sign - 12" x 12" square. The quality is outstanding, using heavy gauge metal, rounded corners, reinforced rivet hole for hanging, and an exclusive process to reveal rust and patina like a vintage sign should look! These are NOT flimsy, overseas made, cheap signs, but made right here in the USA by our exclusive supplier. These come shrink wrapped for protection and boxed carefully.

This little Speed Shop, located "Way Up In The Valley" - is a one stop shop for all your Traditional Hot Rod needs. One of the shop's most famous cars is this '32 Ford 5-window coupe. With the traditional chop, lakes-style headers, Chrome reverse on wide whites, and traditional scallop paint job, it's an unforgettable reminder that Old School Rods are still cool and alive and well.
