**Astro Custom Wheels Sign - 12" x 12" square.** Cool new design of the old waterslide decal art from the 60's! Astro Custom Wheels started the craze for these cool steel chrome slotted mags as seen on many a custom, musclecar and hot rod over the years.

The quality is outstanding, using heavy gauge metal, rounded corners, reinforced rivet hole for hanging, and an exclusive process to reveal rust and patina like a vintage sign should look! These are NOT flimsy, overseas made, cheap signs, but made right here in the USA by our exclusive supplier. These come shrink wrapped for protection and boxed carefully.

These signs are based on the original water transfer decal logos that were the rage in the '60's & now painstakingly recreated into these vintage signs that have the look of being 40+ years old!.
