Traction By Hurst Black Die Cut Sign

Price per Unit (piece): [Call for Pricing](#)

Traction By Hurst Sign - 20" x 18". The quality is outstanding, using heavy gauge metal, rounded corners, reinforced rivet hole for hanging, and an exclusive process to reveal rust and patina like a vintage sign should look! These are NOT flimsy, overseas made, cheap signs, but made right here in the USA by our exclusive supplier. These come shrink wrapped for protection and boxed carefully.

This logo is based on the popular decal art placed on many a car and toolbox. Hurst Cheater Slicks are the original "pie crust" slicks that performed on the streets and strips across the country starting in the 60's and still being made today.
